Again, just verifying, you want a copy of the sources application, not just the District's application review document, correct?

Yes, sorry. It looks like it is not a Hickman facility. But, yes, please ask SJV to send us the application for Central Valley Eggs.

Kara,

Do you mean the application for the Central Valley Eggs in SJV? If so, I can make that request.

Also, I want to clarify – I believe the powerpoint is Janice Chan's, and the photos were taken by a Maricopa County inspector.

Laura / Eugene – can we ask SJV for Hickman's application? Thanks!

Good afternoon,

Per your request, the following Public Notice is being resent to you FTP, link is below. Please let me know if you have any issues with viewing the documents.

NOTICE IS HEREBY GIVEN that the San Joaquin Valley Unified Air Pollution Control District solicits public comment on the proposed issuance of Authority to Construct to Central Valley Eggs, LLC for the installation of a 3,339,000 bird capacity poultry ranch consisting of ten poultry houses and 13 diesel-fired emergency standby IC engines powering electrical generators, at the intersection of Gun Club Road and Hannawalt Avenue in northwest Kern County, CA.

Thank you,

Artemiza Velasco
